

POOLSLIDES

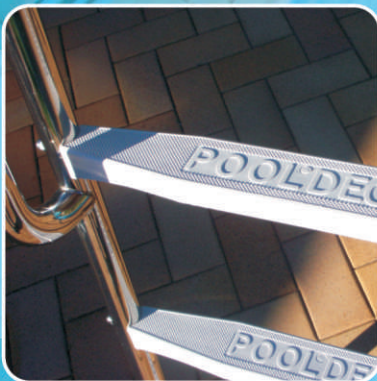

**AUSTRALASIA'S LARGEST FIBREGLASS
SLIDE MANUFACTURER,**

**KING'S FIBREGLASS, would like to introduce
our revolutionary, new range of pool slides.
We have re-designed our slides to offer
increased water flow which increases
the fun for all ages. We continue to
offer a quality product and service.**

1.6m curved
(Left hand only)

**Our slides are built with safety in
mind and are also available in a
variety of colours, including
colour coding on the back.**

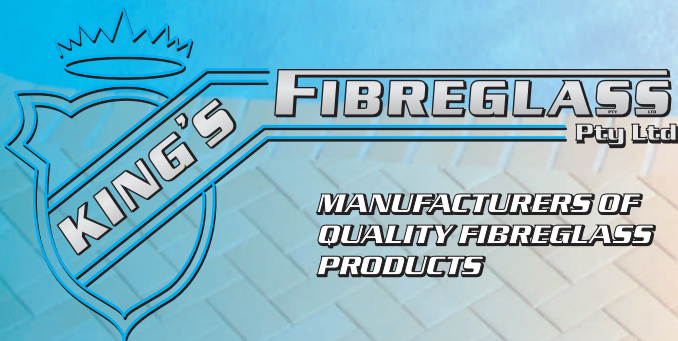

**We also have available
stainless steel ladders
that have been purposely
developed to suit our slide.**

1.2m curved
(Left & Right)

**The water
supply can come
from a swimming
pool pump system
or your garden hose**
